IT_L'incessante slancio verso la ricerca ha portato alla contaminazione delle superfici lapidee di Montpellier con i tratti grafici più raffinati del cemento. Delicate venature che si sovrappongono a motivi dai contorni piacevolmente sfocati contraddistinguono Evoke; materia capace di conferire agli ambienti sobrietà ed eleganza, senza rinunciare ad una buona dose di carica espressiva. Ai formati 20x20, 30x60, 60x60, 40x80, 80x80 - proposti nei colori Silver, Grey, Black - si aggiunge il 30x60 da esterno, declinato in due nuance.

EN_Our incessant drive towards research has led to the contamination of Montpellier stone surfaces with the more refined graphic lines typical of cement. Delicate grains that overlap with patterns with pleasantly blurred contours are the main features of Evoke: a material capable of bringing sobriety and elegance to rooms, without having to renounce expressive energy. The sizes available are 20x20, 30x60, 60x60, 40x80, 80x80 – in the colours Silver, Grey and Black – with the addition of 30x60 for outdoor use, in two colours.

FR_La quête incessante vers la recherche s'est propagée aux surfaces en pierre de Montpellier sous la forme des lignes graphiques les plus raffinées du ciment. Evoke se caractérise par des veines délicates qui se superposent à des motifs aux contours agréablement flous, un matériau capable de donner aux environnements sobriété et élégance, sans renoncer à une bonne dose de charge expressive. Aux formats 20 x 20, 30 x 60, 60 x 60, 40 x 80, 80 x 80 - proposés dans les couleurs Silver, Grey, Black - s'ajoute le 30 x 60 pour l'extérieur, décliné lui aussi dans les deux nuances.

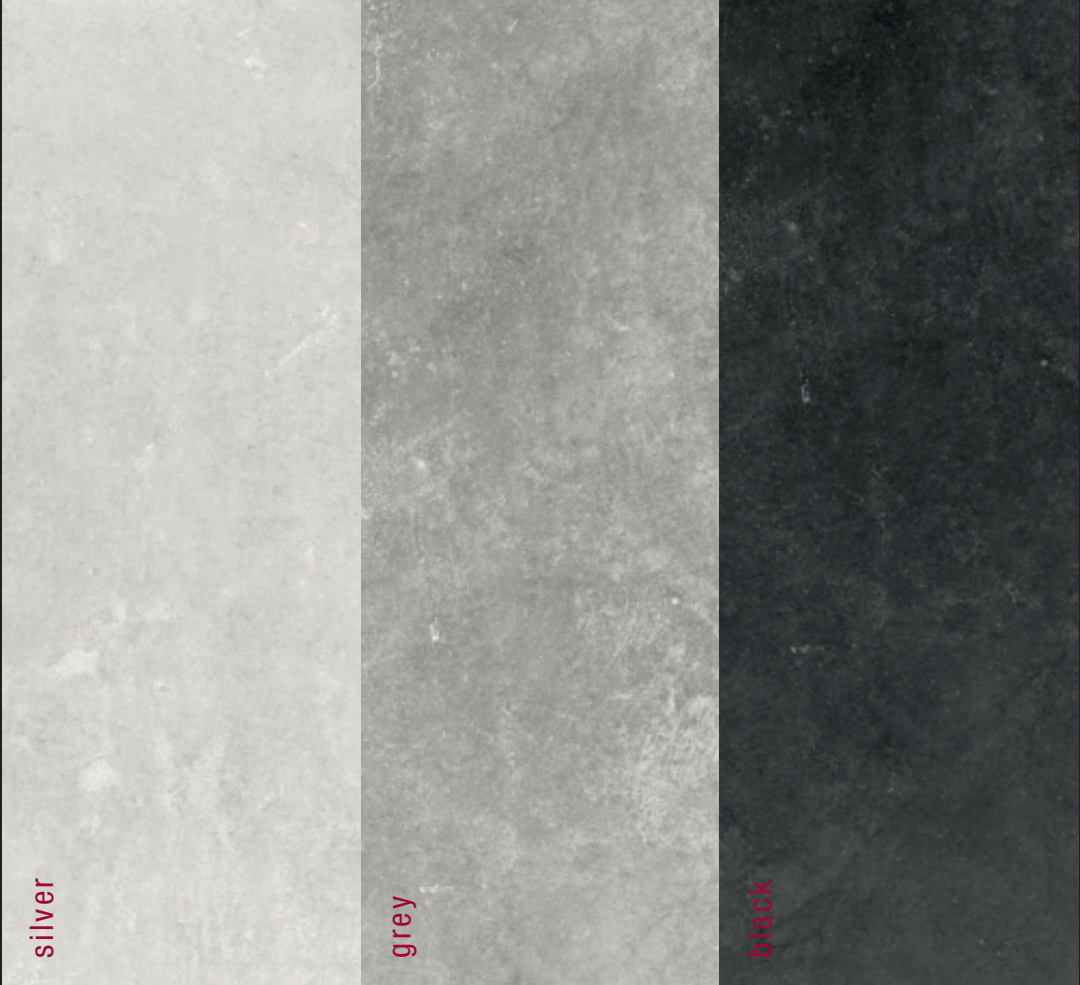

DE_Durch das unermüdliche Streben nach Weiterentwicklung ist es gelungen, die feinsten grafischen Linien des Zements auf den Steinoberflächen von Montpellier hervorzuheben. Zarte Äderungen, die sich mit Mustern mit angenehm verschwommenen Konturen überlappen, kennzeichnen Evoke aus. Dieses Material ist in der Lage, den Räumen Schlichtheit und Eleganz zu verleihen, ohne auf eine angemessene Dosis an Ausdruckskraft zu verzichten. Zu den Formaten 20x20, 30x60, 60x60, 40x80, 80x80 – in den Farben Silver, Grey und Black erhältlich – kommt das Format 30x60, ebenfalls in diesen zwei Farben verfügbar, für Außenanwendung hinzu.
